

Etiihad Airways, the world's fastest growing airline, flies brand new, custom-designed aircraft on all UK routes with morning, afternoon and evening flights from Heathrow and a daily service from Manchester. Our Sydney route has just increased to 11 a week and our newest Australian destination is Melbourne - starting in March 2009.

**Coral Economy**

Coral Economy Class offers a 10.4" personal TV screen, generous seat pitch and width, and leg rest.

Video-on-demand in every seat, with 500 hours of films, TV programmes, CDs and interactive gaming. Superb service with highly trained crew and award-winning food and wines

**Pearl Business**

Pearl Business Class features the world's leading flatbed seat, which is forward facing with aisle access in a 1-2-1 layout. It transforms into a 180° fully flat, 6'1" bed

Each seat is fitted with a 15" personal video screen and an in-built massage facility. Etihad offers one of the highest ratios of crew to guests in the sky

A luxury car transfer\* in UK, UAE, SYD, BKK.

**Diamond First (LHR)**

Diamond First Class features 12 seats (6'8") in a 1-2-1 layout. We have removed overhead stowage to offer a more airy and spacious cabin

Seat swivels 180° so guests can enjoy face-to-face meetings and meals

23" personal screen, privacy shell, mini bar, endless customisation options

A luxury car transfer\* in UK, UAE, SYD, BKK

**Lounge in AUH**

Etiihad Airways has opened a new dedicated business class lounge at its Abu Dhabi airport home base which offers the airline's business class customers a wealth of state-of-the-art relaxation and entertainment facilities in addition to around-the-clock dining. More than three times the size of Etihad's previous premium lounge and are situated on the first floor of the airport.
